Got Old Leos?

Do you have leos that your gymnast has outgrown? Consider donating them to Cobb Challengers! We ask that you donate clean, gently used leos to the gym. We will host a Thrift/Consignment Sale to raise funds for Cobb Challengers. **We will be accepting donations starting Monday, December 2nd.** Look for the box in the gym lobby! **All leos will be sold, for \$5 each, at the Holiday Party!**

Attention: NEW Late Pick-up Procedures

Please review the Cobb Challengers Gymnastics **NEW Late Pick-up Procedures, effective immediately:**

Parents, it is imperative that gymnasts are picked up from inside the gym on time. Effective December 1st, a \$20.00 penalty fee will be strictly enforced if a gymnast is not picked up on time.

NEW Foam Pits

We are excited to announce that the county has updated the gym's foam pits with new foam. This is just one of the many improvements we are working on for our gymnasts!

GYMNAST SPOTLIGHT - "WORK ETHIC"

Every month we will be focusing on the positive qualities displayed by our gymnasts. This month we focus on **WORK ETHIC**. Good work ethic leads to high quality results. A good work ethic leads a gymnast feeling a personal responsibility for her work, which further connects her to the work and encourages her to produce quality results. The following gymnasts have been nominated by their coaches for displaying a great work ethic!

Reagan Carter - Xcel Gold - Coach Desni
Sallie Dougherty - Xcel Silver - Coach Stacy
Cameron Jinks - Xcel Silver - Coach Stacy
Grace Reichelt - Xcel Platinum - Coach Amari
Autumn Remec - Level 7 - Coach Lorenzo
Livia Ross - Xcel Silver - Coach Desni

Congratulations!! Keep up the good "work ethic"!
